Web Developer

Full Stack Web Developer with a background in education and healthcare. Life-long learner, effective at combining creativity and problem solving skills to develop user-friendly applications. Strengths in teamwork and building projects from ideation to execution. Software Development Certificate from Rice University.

Technical Skills:

HTML5, CSS3, JavaScript, Bootstrap, Node.JS, Express.JS, APIs, JQuery, JSON MySQL, MVC, MongoDb, Mongoose, GitHub, Agile, Kanban

Projects:

Style with Weather | https://github.com/erumd | https://q-jones92.github.io/Style-With-My-Weather-App/
- This project takes any city input and returns the current weather, hourly, and 6 day weather forecast. It tells you how to dress for that day. It also shows you nearby hotels, clothing stores, restaurants, night life, and attractions.
- My role: Project manager, front end, and back end developer.
- Tools: Open Weather API, Google Maps API, Visual Studio Code, HTML5, CSS3, Javascript, JQuery

PedaGOgue | https://github.com/erumd/PedaGogue |https://pedagu-gu.herokuapp.com/login |
- This project is a social networking app made to help educators seek advice, ask questions, or get resources from other educators. They pick from the pre-generated categories to ask questions or share their expertise in a subject matter.
- My role: Full stack, front end, and back end developer.
- Tools: Node.Js, Express.JS, Handlebars, MVC, MySQL, Visual Studio Code, HTML5, CSS3, Javascript, JQuery.

Work Experience:

Fortbend ISD   **Sugar Land, TX**

Certified Teacher   **2017-current**
- Applied knowledge of current research and theory to instructional programs.
- Planned and implemented lessons based on school objectives and the needs and abilities of students assigned.
- Assessed student abilities as related to desired educational goals, objectives and outcomes.
- Insured environment is conducive to the learning process.
- Established and maintained effective relationships with students, peers and parents.
- Collaborated with other professionals (guidance counselors, librarians) to carry out school-wide instructional or related activities.

Houston Methodist   **Houston, TX**

Nurse   **2013-2014**

- Worked on the medical surgical unit.
- Communicated with patients, physicians, family members and co-workers in a manner consistent with a customer service focus and HIPAA standards.
- Effectively prioritized timely documentation of care, minimize incidental overtime, and daily tasks.
- Improved quality and safety targets through peer-to-peer accountability, focusing on the task at hand and reporting near misses.

Education:

Bootcamp Certificate: Rice University   **Expected May 2021**

- Intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, Bootstrap, Node.JS, Express.JS, APIs, JQuery, JSON, Node.js, MySQL, MVC, Express, Handelbars.js, MongoDB, NoSQL, ReactJS.

Masters in Educational Technology Curriculum and Instruction   **2016-2017**
